

Congregation Beth Am Teacher Appreciation Gift 5782/2021-2022

Please join CBA's Education Committee in giving a gift to those who support our children throughout the year our Morim & Madrichim. Instead of worrying about something for every teacher (and missing important specialists, madrichim, and staff) let us provide the gift!

Your gift of \$18 per child (suggested minimum) will go toward a gift for the Morim and Madrichim who enrich our children's lives at Religious School and Hebrew School.

All gifts will be delivered at a special ceremony during school (along with other goodies), this coming Spring, along with a card naming everyone who is participating.

To contribute, Religious School families can either:

A) fill out this form to the synagogue office. Mark Attention: Betty Cohen on the envelope with checks payable to Congregation Beth Am.

B) Via the CBA [website](#):
